EXAMINER'S OFFICE, RECEIVED 15 FEB 1904 MYSORE, ACCOUNTS.

SECRETARY'S OFFICE, Regd No 7153 21 DEC 1903 Mysore P. W. Dept.

To

The Dewan

of Mysore.

With reference to the Dewan's Proceedings No.4025/248 dated 31st August 1882 directing that Officers who have British Service and wish to count the same towards pension, should pay a contribution to the British Government, Mr Nagavkar, Executive Engineer, Shemoga Division, submits the accompanying appeal which at his request, I submit for the consideration and orders of the Local Government, as the circumstances of his case appear to be exceptional.

II. Mr Nagavkar contends that his case requires special consideration, as the order in para 4 of the Proceedings, for the payment of half the contribution by officers was passed on the supposition that they "entered the Mysore Service unconditionally, and in their own interests, sharing in the prospects and promotions afforded by that Service." He does not consider this order to apply to his case, as he did not come to Mysore of his own accord, but that his services were transferred from the Bombay Government, on the application of Mysore Government Sir James Gordon being anxious to introduce Native Engineers into the Province. He states that at the time the Mysore Government recognized his British Service nothing was said as to his liability to pay the moiety of contribution, nor after the rendition at the time of his formal transfer to the Local P.W.Establishment in 1881. That the half contribution, for the 15 years he has to serve to entitle him to half pension, would amount to nearly Rs.5,000/- He solicits the Mysore Government to arrange specially with the British Government for the payment of his pension proportionately from both Governments according to the rule of

proportion

proportion, under Section 79 of the Civil Pension Code, in which case he would not lose any portion of his British Service, or to allow him to count the whole of his British Service (4 years and odd) for pension from the Mysore Government.

III. A memo by the Examiner, P.W.Accounts, giving particulars of Mr Nagavkar's Services will be found in the file submitted.

Sd/ C.H.H.Kensington,
Secretary to the Government of Mysore,
Public Works Department.
9-5-1893.

1. It is in my opinion undesirable to ask the British Government to make an exception in Mr Nagavkar's case and to apply the rule of proportion to his pension.

2. Under the special circumstances of his case, the Mysore Government will make the following arrangement regarding his pension.:-

(a) Under ordinary circumstances if he does not pay the required contribution to the British Government, Mysore will recognise half of his British Service - namely 2 years 1 month and 10 days - This will apply to him and the period will be reckoned as Mysore Service.

(b) In addition to this, Mysore Government will also regard the other half of his ~~B~~ British Service (2 years 1 month and 10 days) as Mysore Service, if he is compelled to retire on a Medical certificate before putting in ~~Suffit~~ Sufficient: Other Service to entitle him to a pension.

(c) With these concessions Mr Nagavkar need notpay a contribution to the British Government towards his pension.

Dewan of Mysore.
